

1st Annual DFF Jet Boat Shad Adventure

When: June 3rd, 2012
Where: Sacramento River between Williams and Orland
Time: Noon till sunset (About nine hours)
Cost: \$140 per angler including end of day BBQ

Join your fellow DFF members for a day on the Sacramento River fishing for American Shad. This trip will be a real blast!

Orland Outfitters will provide a jet boat for every four anglers and work the gravel bars up and down the river looking for the biggest schools of American Shad. You will cast and swing for these powerful fish using 7-9 weight rods, sinking lines and shad flies.

While no fishing is guaranteed, this is about as close to a sure thing as fishing can get!

And then at the end of the day, a giant BBQ put on by Orland Outfitters!

Limit: 16 anglers and this outing is selling out quickly with only nine slots left.

Last day to sign up is February 8th but don't wait that long since we need to lock up the additional boats. \$70 dollars due by February 11th and balance due at the outing.
